

United States Department of State

Washington, D.C. 20520

MAR 14 2008

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, re-certification of a proposed manufacturing license agreement for the export of defense services and defense articles in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Canada for the manufacture and assembly of CF-18 Multi Function Display Indicators for use on F-18 A/B Aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Jeffrey T. Bergner
Assistant Secretary
Legislative Affairs
